

WELCOME TO THE WORLD OF DARTA

Since the very first pea passed through our plant, Darta has grown from a Belgian family business into a global leader in fresh frozen products.

In 2024, Darta is undergoing a full rebrand and we're excited to announce our new brand names. The 'Greens' brand will be phased out and replaced by 'Darta', while 'Cuisin'easy' will continue under the new name 'Darta Cuisin'easy'. This change unifies our products under one strong, recognizable, simple and convenient brand!
